

CAR WASH AND SHINE CONCENTRATE

Formula 901

Bishop's Original™ is a unique concentrated shampoo formulated to polish and shine as it cleans. Does not contain alkalis, acids or abrasives and will not remove durable polishes. Car Wash & Shine removes road film, oil, and tar and leaves a polished look between washes. Car Wash & Shine is free rinsing and decreases drying time without spotting or streaking. Car Wash & shine is recommended for use in all types of professional car washing equipment.

DIRECTIONS:

1. Add 1 ounce (3 caps) per gallon of clean water.
2. Apply to a cool car with soft cotton towel. Do one section at a time and rinse. Use straight concentrated Car Wash & Shine to remove oil and tar.
3. Rinse entire car when finished and wipe dry with soft cotton towel.
