PRODUCT DATA SHEET

MULTI-FUNCTIONAL UPPER CYLINDER TREATMENT

Formula 333

Bishop's Original Multi-Functional Upper Cylinder Treatment provides maximum top end protection and performance by thoroughly cleaning the entire fuel delivery system and coating all the metal components with our film forming proprietary penetrating formula.

BENEFITS:

- Lubricates Top End
- Improves Fuel Economy
- Cleans Injectors and Spark Plugs
- Removes Rust and Corrosion
- Alleviates Hesitation

DIRECTIONS FOR USE:

Put 12 oz. of **Bishop's Original Upper Cylinder Treatment** to not less than 10 gallons or more than 20 gallons of gas or diesel fuel. For optimum performance and protection, we recommend adding 12 oz. into fuel tank at every oil change.
