Dear Will;

I am writing you concerning the product you wanted me to try. I have never been a believer in any additives or treatments but your product has changed that. I treated my 1978 Ford 4 X 4, the results I got were great. As you know Ford engines are characteristic of valve noise. Well after being treated, the noise stopped and also gave me a 3 mpg increase. I will be treating my other units and will also recommend the treatment to my own customers.

Sincerely,

Service Manager
