Dear Ray;

Just a note to thank you for the engine treatment sold to us in June. We have used it in two of our vehicles on an experimental basis for four (4) months now, and we are extremely pleased. The two (2) vehicles combined have given us an increase of 14% in gas milage.

The next time you are in town stop by, as we are seriously considering treating the remainder of our fleet, including our diesel engine cars.

Once again, thank you for your time and efforts.

Sincerely,

Union Official
